Dear Neighbors,

The Yerba Buena Community Benefit District’s forward thinking, creativity and commitment to improving the neighborhood have defined it during its seven-year history. In 2015, district property owners and the San Francisco Board of Supervisors renewed the YBCBD and its services for a 15-year period. Because of the dedication, time and talent of so many who care deeply about improving the quality of life in Yerba Buena, the YBCBD is able to move forward with beneficial services that make the district cleaner, safer and more inviting. Thank you for supporting the YBCBD!

The success of our year-long campaign to renew the district can be viewed with pride. Eighty-four percent of the property owner ballots cast voted “yes.” The tally was the highest ever level of support for any community benefit district formation or renewal in San Francisco. By listening — through a robust community outreach process — we learned even more about what is important to property owners and to the people that live, work and visit here. As a result, in January 2016, we’ll launch additional cleaning services and pedestrian safety programs. Also, more Community Guides will be on duty to assist visitors, help those in need, and to address cleaning, safety, and quality of life issues.

We continue to move forward with new ideas from our talented staff and volunteer board of directors and committee members in addition to many other dedicated neighbors living and working in Yerba Buena. In 2016, we will continue to implement projects in our award-winning Yerba Buena Street Life Plan. We will also shepherd neighborhood public art projects, promote the neighborhood in support of business and cultural institutions further build a sense of place and pride for those who live here, and provide grants to nonprofits in the neighborhood that support our mission.
During the last fiscal year, the YBCBD advanced exciting new programs and projects. With neighborhood and city partners we opened a new temporary pedestrian plaza — Annie Street Plaza — at Mission Street and brought it to life with music, performances, movies and other activities. Our board approved a new public art plan. We installed 60 additional custom-designed bike racks and 100 new street banners to welcome people to the neighborhood in support of all of our attractions. Our “Be a Superhero” campaign inspired a sense of shared ownership to help keep our neighborhood clean. And more than 10,000 people, our largest crowd so far, attended the 4th annual Yerba Buena Night to celebrate our cultural heartbeat as part of a free evening of music, dance, art and more.

At the same time, we remain focused on our core clean and safe services, which are essential to maintaining and improving Yerba Buena. Last year, our Clean Team addressed 12,400 sweep requests, removed 4,000 graffiti tags, flyers and stickers and worked 365 days a year on beautifying our neighborhood. YBCBD’s Community Guides and San Francisco Police Department Bike Patrol officer dedicated to Yerba Buena addressed 1,250 aggressive panhandling incidences and provided information and assistance to tens of thousands of visitors and merchants.

As the neighborhood grows and evolves, the YBCBD’s work will be more important as more people come to the district with the reopening of SFMOMA, the Moscone Center Expansion Project and Central Subway project. By renewing the YBCBD, we are able to sustain the positive momentum of our many services and programs. We will continue to move forward with excitement and an unwavering commitment to improving Yerba Buena.

Sincerely,

Lance Burwell
Chair, YBCBD Board of Directors
MISSION

The YBCBD is proud to partner with the community working to elevate the quality of life in the neighborhood to even greater heights. We were formed in 2008 and renewed in 2015 for a 15-year period by district property owners and the San Francisco Board of Supervisors to provide services and programs covering the area of Second to Fifth and Market to Perry streets. Today, Yerba Buena is a thriving hub of cultural charisma, entrepreneurship, and diversity. The area bustles with more than 400 shopping, dining and entertainment venues, world-class museums, convention space, hotels, and educational institutions. Technology companies, retailers and culinary artists incubate the next big thing. Senior housing blends with live/work lofts, family homes and condominiums. The YBCBD works every day to sustain and improve the quality of life for everyone in the neighborhood. Our Mission: “Advance the quality of life for residents and visitors in the Yerba Buena Neighborhood and San Francisco on an ongoing basis by fostering a safer and more secure community, enhancing environmental quality and beauty, and reinforcing the viability of our economic base.”

SERVICES AND PROGRAMS

CLEAN TEAM. Every day our Clean Team sweeps and steam-cleans sidewalks, removes graffiti, picks up litter, and responds to immediate neighborhood cleaning needs. In 2016, additional staff will be added to the Clean Team.

SFPD PATROL AND SAFETY. In addition to existing police services, the YBCBD funds an SFPD bike patrol officer to keep us safer – 10 hours a day, 7 days a week. In 2016, based on your feedback, we’ll begin pedestrian safety and traffic enforcements initiatives to make it safer for everyone to traverse the neighborhood.

COMMUNITY GUIDES. The Guides help everyone in the district and are our eyes on the street. They direct visitors to local businesses, contact our dispatcher to have areas cleaned and report safety issues, and help those in need. In 2016, additional Guides will be on the streets helping the public.

MARKETING & EVENTS. We market Yerba Buena with websites, events, social media, street banners, and more to keep our economic engine humming.

COMMUNITY BENEFIT FUND. We provide grants to neighborhood nonprofits that support efforts like family programs, public art projects and cultural exhibits, and public safety.

STREETScape IMPROVEMENTS. Streetscape programs – large and small — are improving our public spaces with artistic bike racks, seating, alley designs, public art plans, and more.

Anyone can report neighborhood cleanliness and non-emergency issues to YBCBD’s dispatcher by calling (415) 543-9223, texting (415) 559-1362, and emailing dispatch@ybcbd.org, using our free mobile app, YBCBD Assist, or on our website, www.YBCBD.org.
2014-2015: WHAT WE’VE ACCOMPLISHED TOGETHER.

PROPERTY OWNERS SAID “YES” TO RENEWAL

• Yerba Buena property owners and the San Francisco Board of Supervisors voted overwhelmingly in July 2015 to renew the YBCBD for 15 years. More than 84 percent of the property owner ballots cast voted “yes.”

• The renewal campaign was a success because of the strong commitment of our Steering Committee, Board of Directors, City leaders, staff and many community members.

• A comprehensive community outreach program informed us about neighborhood priorities to include in our updated Management Plan. New in 2016 are pedestrian safety and traffic enforcement initiatives and additional Clean Team members and Community Guides to help keep the neighborhood clean and safe.

• Our new Management Plan with detailed information about the renewed district is at www.YBCBD.org.

CLEAN & SAFE SERVICES

YBCBD CLEAN TEAM. Responded to more than 12,400 requests for sidewalk sweeping, steam cleaning and spot cleaning; removed more than 4,000 graffiti tags, stickers and flyers; and addressed more than 675 overflowing trashcans and 700 instances of illegal dumping.

YERBA BUENA COMMUNITY GUIDES. Conducted meet and greets with more than 5,000 merchants and residents and assisted tens of thousands of visitors, merchants, and residents with directions, neighborhood advice, cleanliness and safety issues, and more.

SFPD BIKE PATROL OFFICER. Worked 10-hour shifts daily to address quality of life issues and provide a reassuring presence in the district.

TEAMWORK. The Guides and our dedicated SFPD bike patrol officer worked together to address more than 1,200 incidents of aggressive panhandling, issued about 3,100 violations of the City’s Sit-Lie ordinance, and assisted 200 people in need.

NEW WAYS TO REQUEST SERVICES. We expanded ways for everyone to get involved in keeping the neighborhood clean and safe, including the ability to report and track service requests and neighborhood issues online, using mobile phones and other tools. More than 52,480 service requests were received through these systems during the last fiscal year.
IMPROVING THE NEIGHBORHOOD

YERBA BUENA STREET LIFE PLAN. We continued to implement our plan with 30+ projects, both large and small, to improve our pedestrian experience, alleys, streets, and open spaces.

ANNIE STREET PLAZA. The temporary pedestrian plaza along Mission Street opened late 2014 thanks to support from the Friends of Annie Alley, businesses and the City. The YCBCD and the community bring the plaza to life with music, movie nights, kids programs, performance art and art exhibits for all to enjoy.

PUBLIC ART. Our board approved a neighborhood public art plan to inspire more public art. To implement the plan, we kicked off Sites Unseen with a focus on art in Yerba Buena alleys. We also served on panels to select art for the Moscone Expansion Project and the Yerba Buena/Moscone Central Subway Station.

COMMUNITY BENEFIT FUND. We provided grants that last year supported 13 exhibits, programs and events, such the Martin Luther King Jr. Birthday Celebration, Halloween Hoopla family event, 12th Annual Parol Lantern Festival and Parade, and Children’s Creativity Museum’s Creativity Day 2015.

WELCOME! SUPPORT FOR CULTURAL ORGANIZATIONS, BUSINESSES & MERCHANTS

NEIGHBORHOOD MARKETING. We populate a visitor website with great neighborhood information, produce monthly newsletter, promote an events calendar, reach out on social media, and hand out maps with information about businesses and attractions. With partners, we projected thousands of animated personalized holiday cards onto two 100-foot-high buildings on Market Street.

BRANDING YERBA BUENA. We promote the district as a cultural destination, and hold events that are oriented to arts and culture to bring people together. New street pole banners welcoming people to the district in five languages were installed.

BRINGING PEOPLE TOGETHER. We promoted events for everyone in the community at Annie Street Plaza. More than 10,000 people attended the fourth annual Yerba Buena Night to celebrate our cultural heartbeat.

FY2015-2016 BUDGET

NEW AREA MAP OF THE YERBA BUENA COMMUNITY BENEFIT DISTRICT

Yerba Buena bustles with world-class museums, shopping, dining, convention space, hotels, and educational institutions. Senior housing blends with live/work lofts and condominiums.

New district boundaries shown here were approved as part of the YBCBD renewal, but generally remain the same as before. The district includes parcels from Second to Fifth streets and Market to Harrison streets. Specific changes to YBCBD's boundaries are in the District Management Plan at www.YBCBD.org.
The YBCBD is funded through an annual assessment from district property owners. A new methodology for annual assessments was approved as part of the district renewal. The calculation for each property assessment is based on a formula that weighs the benefit of the YBCBD’s services for all types of properties in the district.

The formula assigns values to Land Use, Benefit Zone, Linear Street Frontage and Building Square Footage to determine benefit points for each parcel. The parcel benefit point total is then multiplied by $9.38 from the FY15-16 YBCBD Budget to calculate the assessment.

As a result, commercial property (Land Use, 4) has more benefit points because they have substantial street frontage, higher volumes of pedestrian traffic, and more overall development. Properties like hotels, office buildings, museums, and retailers with

\[
[(50 + 2) \times 1.5] \times 4 = 300 \text{ Benefit Points}
\]

The formula assigns values to Land Use, Benefit Zone, Linear Street Frontage, and Building Square Footage (Building Factor, 2) would calculate their assessment as follows:

- For example, a commercial property (Land Use, 4) in Benefit Zone 1 (Zone Factor, 1.5) that has 50 feet of linear frontage (Linear Frontage, 50) and 5,000 building square footage (Building Factor, 2) would calculate their assessment as follows ((Linear Frontage + Building Factor) x Zone Factor = Benefit Points)

For example, a commercial property (Land Use, 4) in Benefit Zone 1 (Zone Factor, 1.5) that has 50 feet of linear frontage (Linear Frontage, 50) and 5,000 building square footage (Building Factor, 2) would calculate their assessment as follows:

- \[(50 + 2) \times 1.5\] x 4 = 300 Benefit Points
- 300 x $9.38 = $2,814.00 Total Assessment

The parcel benefit point total is then multiplied by $9.38 from the FY15-16 YBCBD Budget to calculate the assessment.
