

YBCBD SERVICE HIGHLIGHTS

IMPROVING QUALITY OF LIFE IN YERBA BUENA | MAY 2017

THE YBCBD TEAM

- **Clean Team.** Sweeps and steam-cleans sidewalks, removes graffiti, picks up litter, and responds to neighborhood cleaning requests every day 6 a.m.-9:30 p.m.
- **SFPD Bike Patrol and Safety.** On top of existing police services, the YBCBD funds an SFPD bike patrol officer to keep us safer – 10 hours a day, 7 days a week.
- **Community Guides.** Help everyone in the district and are our eyes on the street — directing visitors to local businesses, contacting our dispatcher about cleaning and safety issues, and helping those in need — every day 6 a.m.-midnight.
- **Social Service Specialist.** Connects people living on district streets to available services as part of a one-year pilot program.

YBCBD ASSISTS

Teamwork with Agencies & Organizations

YBCBD meets regularly with several agencies and organizations to address areas of concern, cleanliness and quality of life issues, including SFPD, Dept. of Public Works, HOTS Team and the assistant city district attorney. The coordination is an important part of the role all of the organizations play to serve the neighborhood.

YBCBD Responds to Spring Events

The Bay to Breakers Race, How Weird Street Fair and many other events enlivened Yerba Buena in May. Our Community Guides assisted runners, fair-goers and conventioners with directions and recommendations. Our Clean Team supported efforts to clean-up the district, while our dedicated YBCBD SFPD bike patrol officer monitored events and responded to quality of life issues as appropriate.
