YERBA BUENA CBD NEWS

Cleaner. Safer. Better.

The YBCBD's service teams make a difference every day in the quality of life in Yerba Buena. We care deeply that it's clean, safe and inviting. Looking ahead, we'll be adding even more services. You can make a difference too by reporting issues to YBCBD Dispatch.

- **Clean Team.** Sweeps and steam-cleans sidewalks, removes graffiti, picks up litter, and responds to neighborhood cleaning requests every day 6 a.m.-9 p.m.
- **SFPD Bike Patrol and Safety.** On top of existing police services, the YBCBD funds an SFPD bike patrol officer to keep us safer – 12 hours a day, 7 days a week.
- **Community Guides.** Help everyone in the district and are our eyes on the street — directing visitors to local businesses, contacting our dispatcher about cleaning and safety issues, and helping those in need — every day 6 a.m.-midnight.
- **Social Service Specialist.** Connects people living on district streets to available services.
- **You Can Help! Report Issues.** Report an issue to YBCBD Dispatch. Call 415.543.9223, email dispatch@ybcbd.org, text 415-559-1362, or visit Yerba Buena Assist at www.YBCBD.org
