YBCBD COVID-19 UPDATE

PRIORITY SERVICES: HELPFUL INFORMATION AT [YBCBD.ORG](https://www.ybcbd.org) AND ON FACEBOOK

Amid COVID-19, our incredible team of service providers and staff are at work to keep Yerba Buena clean and safe. The YBCBD is continuing with these priority services:

- Your YBCBD-funded **SFPD bike patrol officer** continues to keep an eye on people and property in Yerba Buena.
- Our **Clean Team** is focused on pressure washing, disinfecting street fixtures, cleaning curb lines, and removing graffiti, feces and litter. Cleaning issues can be reported to our Dispatch office at (415) 543-9223, dispatch@ybcbd.org, or by using the YBCBD Assist app.
- Our **Community Guides** have shifted priorities to assist the Clean Team with disinfecting efforts. They continue to report additional cleaning needs to the City's 311 service and keep an eye out for safety issues to report.
- We're **supporting essential service businesses** by promoting them on [YBCBD.org](https://www.ybcbd.org), Facebook, and Twitter, and on other platforms.
- We have compiled a comprehensive list of COVID-19 **resources and information** on our website and will continue to update as more information is made available at:
[YBCBD.ORG/news/coronavirus-information](https://www.ybcbd.org/news/coronavirus-information)

Please sign up for our monthly e-news at [YBCBD.org](https://www.ybcbd.org). Visit [YBCBD.org](https://www.ybcbd.org) and Facebook for resources for small businesses, aid for the arts, information about COVID-19 and more. We wish you all good health.
