The YBCBD is relentless in its efforts to make Yerba Buena cleaner, safer and even more inviting. We supplement city services so that our neighborhood continues to be the cultural heartbeat of the city. Let's glance back at 2019 and look ahead in 2020.

- Removed 2,749 graffiti tags, nearly 15,500 bags of trash, responded to more than 4,800 calls for clean up services and removed 17,000 needles (3% of the city's total needles discarded).
- Added 13 more Big Belly "smart" waste receptacles to bring our district total to 22.
- Managed the Downtown Streets Team sponsored by SF Travel to keep the area around Moscone Center clean.
- Revamped VisitYerbaBuena.com to promote neighborhood businesses to conventioners.
