

Fourth Annual

Yerba Buena Community Excellence Awards Nomination Form

The nonprofit [Yerba Buena Community Benefit District](#) seeks nominations for its fourth annual Yerba Buena Community Excellence Awards. The Yerba Buena Excellence Awards are issued yearly at the Annual Meeting and serve to highlight those who show outstanding participation in improving our neighborhood. Because of the events this year and the restraints that do not permit the usual participation in community engagement, the YBCBD is refocusing the award guidelines.. Previously awards were given for cleaning, neighborhood events and beautification, and in general activities that required a great deal of interaction and contact which were not permissible for the better part of this year.

This year we will consider candidates who have excelled in the following areas:

- Adaptation: how well an individual or organization has reorganized their efforts to help the community
- Service: how an individual or organization has helped to serve those devastated by the social and economic impact of COVID 19
- Engagement: how and individual or organization has made, somehow, this situation bearable either through programming or engagement or even entertainment

Recipients are selected by YBCBD's volunteer committees and its Board of Directors comprised of Yerba Buena residents, businesses, and nonprofit organizations.

Eligibility Requirements and Deadline

Individuals and organizations must have an impact in the Yerba Buena Community Benefit District bounded by Fifth to Second and Market to Perry streets. You may nominate yourself, another person, or organization/business. Past awardees are not eligible. Deadline for receiving emailed nominations is October 30, 2020. Awardees will be notified by mid-December and honored at ceremonies in January 2021.

Please fill out the form to nominate a person or organization.
