## THE YBCBD IS PROVIDING SERVICE, SAFETY, AND SUPPORT TO ITS WORKERS AND COMMUNITY.

Our dedicated team of service providers and staff are at work — together, six feet apart — to keep Yerba Buena clean and safe. Here are examples of what we're doing and how you can help.

### TEAM @ WORK — HEALTH & SAFETY

Our Clean Team, Community Guides, Social Service Specialist and YBCBD-funded SFPD bike patrol officer continue to be at work for you. They are equipped with appropriate protective equipment to stay safe as they continue to keep the neighborhood clean and safe. Prioritized services include disinfecting public fixtures and removing biohazardous messes to help prevent the spread of COVID-19.

### THE LATEST NEWS

Check for updates on government orders, resources, health and transit information at YBCBD.org/news/coronavirusinformation. You can also stay informed by signing up for our monthly newsletter at YBCBD.ORG and follow us on Facebook, Instagram, and Twitter.

### PROMOTING NEIGHBORHOOD BUSINESSES

We are creating small videos and articles to help promote local businesses. If you're open and would like us to create a FREE video to get the word out that you're open, email us at info@ybcibd.org.

### GRANTS FOR NONPROFITS

In response to the pandemic, we're providing grants to Yerba Buena nonprofits to help them adapt their operations and adjust to the new normal.
